Global Frontier Markets Equity

Beleggingsdoelstelling

The sub-fund invests for long term total returns primarily in a diversified portfolio of investments in equity and equity equivalent securities of companies which have their registered office in, and with an official listing on a major stock exchange or other Regulated Market in Frontier Markets, as well as those companies with significant operations or carrying out a preponderant part of their business activities in these countries. Investment in equity securities must amount to at least 51% of the sub-fund's net...
